SPILL KITS

- 2 kits to cope with different sized risks.
- Available as a complete kit or contents only.
- PPE supplied in all kits.
- Oil specific or hazardous chemical kits available.

DAMMIT

Our D Kits Include the following Dammit Products:

- 1 x Slab of Dammit Readymix – developed for the emergency sealing of leaks from holes and tears.
- No preparation of product or surface is needed, just push Dammit onto the source of leak, it withstands pressure of up to 0.25 Bar and stays in place for up to 24 hours.
- 1 x Dammit Mat 45cm x 45cm – developed as a surface water drain seal and issued by most fire services. Remove cover and tread onto the drain. It is non-toxic and resistant to oil, water and most chemicals.
