

IT BRACKETS

- Lightweight plastic construction.
- Unique design, superb appearance.
- No unsightly nuts and bolts.
- I-T Brackets hold the mudguard stay (pole) off the mudguard surface, hence no water traps – no rust problems.
- Quick and easy to fit.
- Mudguard removal for routine maintenance is faster.
- User friendly, no tools needed under the mudguard to fit the bracket.
- Unique 'gripping' system secures the I-T Bracket to the mudguard stay.
- Resistant to most chemicals.
- Fully Patented.
